

Name _____

Make a poster.

Gorillas live in:

Gorillas eat:

Gorillas sleep:

Gorillas need:

Baby gorillas are:

Learning focus

Writing/comprehension/going beyond the text/classifying information

Instructions

Copy the poster on A3 paper. To make the poster finish the sentences in the boxes. Add any other boxes you need. Finish the poster with illustrations.

Talk about

What have you shown in your poster? What information did you choose to leave out? What do you think people would learn from reading your poster?

Name _____

Compare and contrast.

Gorillas in the forest	Gorillas at the zoo
Some gorillas live in forests. The forests have everything gorillas need to stay alive.	Some gorillas live at the zoo. Zoos look after gorillas and keep them safe.
In the forest gorillas live in family groups.	
In the forest gorillas sleep on the ground. Every night they make nests with plants and branches.	
In the forest gorillas spend most of their time looking for food and eating.	
In the forest baby gorillas are looked after by their mothers.	

Learning focus	Comprehension/writing
Instructions	Have children read the sentences about gorillas living in the forest. Compare these to the gorillas living in the zoo. Have children write about how the gorillas live in the zoo.
Talk about	<i>How do gorillas live in the forest? How do gorillas live in the zoo? What is the same about their lives? What is different?</i>
